CALVINIA ABATTOIR RAMSKOP KLK NEMA EIA, PUBLIC PARTICIPATION PROCESS

CALVINIA ABATTOIR RAMSKOP: PROPOSED EXPANSION OF CALVINIA ABATTOIR RAMSKOP
(Erf 3562, Du Plessis Street, Calvinia)

Notice is hereby given of a public participation process in terms of the National Environmental Management Act, 1989 (Act 107 of 1989) (NEMA) and the EIA Regulations (2014) for the application for environmental authorisation to undertake the following activities:

Business reference	Activity No (N)	Description
GN, R 327 (2017) Lurens Heide 1	01	The Ranskop abattoir is currently registered to slaughter 600 sheep goats per day (120 Livew). It is proposed that the slaughter capacity be increased from 600 to 1000 sheep goats per day (200 Livew).

EnviroAfrica cc has been appointed by Grant Trust, to undertake the **Environmental Impact Assessment** for the proposed project. A notice of intent to develop will be submitted to the Department of Environmental and Conservation (DENC).

Project Description & Location (31° 28' 16.66"S, 19° 45' 42.32"E)
The Ranskop abattoir is currently registered to slaughter 600 sheep goats per day (120 Livew). It is proposed that the slaughter capacity be increased from 600 to 1000 sheep goats per day (200 Livew). All waste products, as well as discarded bones or carcasses (scraped material), gets buried in trenches at a designated area adjacent to the abattoir. All water used at the abattoir, emanating from the slaughter floor and pens/kraals, gets pumped into a separator where solids gets separated from the liquid waste produced by the abattoir. After this, waste water then gets pumped through a pipeline to the municipality's condenser system, and any other remaining solid waste then gets buried in the trenches mentioned above.

Description of Alternatives:
Alternative includes layout options and the option of not proceeding with the proposed development (the No-Go option) will be discussed in the application process.

Public Participation:
Interested and Affected Parties (I&APs) are hereby notified of the application and invited to register (in writing) and/or provide initial comments and identify any issues, concerns or opportunities relating to the project to the contact details provided below, **on or before 18 September 2017**.

In order to register or submit a comment, I&APs should refer to the project name, and provide their name, address & contact details (indicating your preferred method of communication) and an indication of any direct business, financial, personal, or other interest which they have in the application. Please note that future correspondence will only be sent to registered interested and Affected Parties.
