Dear Nicole

Please refer to the engineer. Mr Gert Meiring's, communication with Ms Colene Runkel and Mr Evan Burger with regards to the proposed road crossing.

Ms Runkel states that the N12 which we want to cross is not a proclaimed road falls om the jurisdiction of PGWC

In the last attached email Mr Burger states that a motivational letter with detailed drawings will be sufficient to serve as an application but that were are not allowed to cross the road through a culvert or trench.

Should I continue to communicate with Mr Burger regarding this application for crossing the N12?

Kind regards
Inge

Goeiemiddag Inge

Ek het by SANRAL navraag gedoen oor die padkruising, maar hulle het my skriftelik in kennis gestel dat die spesifieke pad nie aan hulle behoort nie, maar aan die Weskaap Provinsie. Ek het dus ook al voorlopig navraag gedoen by Weskaap Provinsie se paaie afdeling in die verband, maar ek het nog geen formele aansoek ingedien nie.

Ek verstaan dus nie lekker waar hierdie dame vanaf kom nie, sy werk in dieselfde kantoor waarheen ek die aanvaklike navraag gedoen het.

Ek heg vir jou die tersaaklike korrespondensie aan vir jou inligting.

Groete

Gert Meiring *Pr Tech Eng*

Hi Gert

Sien asb kommentaar vanaf SANRAL. Ek wil net hoor of julle dalk al enige applications by SANRAL indien het vir die pyplyn onder deur die N12?

Groete

Inge

Subject: THE PROPOSED UPGRADE OF THE KLAARSTROOM OXIDATION POND WASTEWATER TREATMENT SYSTEM
ON RE OF PORTION 32 & RE OF PORTION 34 OF FARM KLAARSTROOM 178, PRINCE ALBERT WESTERN CAPE

Dear Ms Inge Erasmus

The above listed project bears reference.

I would hereby wish to register as an I&AP for this particular project.

The South African National Roads Agency SOC Limited (SANRAL) has received background information and a site layout plan for this project and based on the proximity of the pipeline crossing the N12 National Road, it appears that SANRAL could be impacted by this development.

If services need to be constructed over or under the national road, (in this case the N12) or within 60m measured from the road reserve fence, the service owner must apply for a written permission from SANRAL, before any work may be carried out. Attached please find an application form for the proposed encroachment.

Do not hesitate to contact the sender should you have any further queries.

I trust that you will find the above in order.

Regards

Nicole Abrahams
