

# Oakhill learners excel on global level

A number of Oakhill Grade 7 pupils performed exceptionally well in the International Benchmarking Test (IBT) in mathematics and English. This test was done towards the end of their Grade 6 year (2017), with the results only recently released worldwide. The IBT allows schools to compare student performance internationally, between grades and over time. The IBT is a high-quality skill-based assessment not linked to any national curriculum. This allows students from all countries to be compared fairly.

The recent Oakhill results indicate that the school is continuing to perform at a superior

standard in English and mathematics, with above-national and international averages. Congratulations to the following pupils for their certificates of distinction and high

distinction: Max Penrith, Tristan Torrance, Tristan Vogt, Jared Shutte, Noah Platt, Alida de Villiers, Ben Tyrrell, Max Hayward and Connie Chorley. – *Supplied*

Max Penrith, Tristan Torrance, Tristan Vogt, Jared Shutte, Noah Platt, Alida de Villiers, Ben Tyrrell and Max Hayward all scored exceptionally high in their International Benchmarking tests. *Photos: Supplied*

Connie Chorley received a high distinction in mathematics and a certificate of honour in English.

## ENVIROAFRICA CC

### NEMA PUBLIC PARTICIPATION PROCESS

#### PROPOSED 55M HIGH TELECOMMUNICATIONS MAST ON ERF 77, COLDSTREAM, EASTERN CAPE

Notice is hereby given of the intention to submit an application, and the public participation process, in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998), as amended ("NEMA"), Environmental Impact Assessment Regulations 2014. The proposed 55m high telecommunications mast on Erf 77, Coldstream, includes activities listed in terms of the NEMA EIA Regulations 2014.

EnviroAfrica cc has been appointed by the Atlas Tower (Pty) Ltd, to undertake the NEMA Application for Environmental Authorisation process.

#### Application for environmental authorization to undertake the following activities:

Government Notice R324 (Listing Notice 3): Activity No. 3

*\*Please note that the listed activities above may change during the course of the NEMA Application process. Registered I&APs will be notified of any changes.*

#### Project Description & Location:

A telecommunications mast, including associated infrastructure, is proposed on Erf 77, Coldstream. The base station will have total developmental size of approximately 100m<sup>2</sup> and will include a 55m high Lattice Mast and four service provider equipment containers. The site will be enclosed by fencing for security reasons.

The site is located off the R102, Coldstream, in the north-eastern corner of the sports field. Site co-ordinates: 33°57' 37.16"S, 23°42'05.58"E.

#### Public Participation:

Interested and Affected Parties (I&APs) are hereby notified of the application and invited to register (in writing) and/or provide initial comments and identify any issues, concerns or opportunities relating to this project to the contact details provided below, on or before 23 July 2018. In order to register or submit comment, I&APs should refer to the project name, and provide their name, address & contact details (*indicating your preferred method of notification*) and an indication of any direct business, financial, personal, or other interest which they have in the application. You are also requested to pass this information to any person you feel should be notified. Please note that future correspondence will only be sent to registered Interested and Affected Parties.

Please note that only Registered I&APs:

- will be notified of the availability of reports and other written submissions made (or to be made) to the Department by the applicant, and be entitled to comment on these reports and submissions;
- will be notified of the outcome of the application, the reasons for the decision, and that an appeal may be lodged against a decision; and
- will be notified of the applicant's intention to appeal the decision of the competent authority, together with an indication of where and for what period the appeal submission will be available for inspection.
