

Site Photos - Portion 17 of Farm Koopmans Kloof No. 221, Kraaifontein, Western Cape.

Photo 1 – View of the residential dwelling/farm house adjacent to the site, looking in an eastern direction. The proposed site is located adjacent to an existing farm dwelling.

Photo 2 – View of the site looking south. The site is surrounded by agricultural land uses to the south.

Photo 3 – View of the site looking north. The adjacent urban area can be seen in this image.

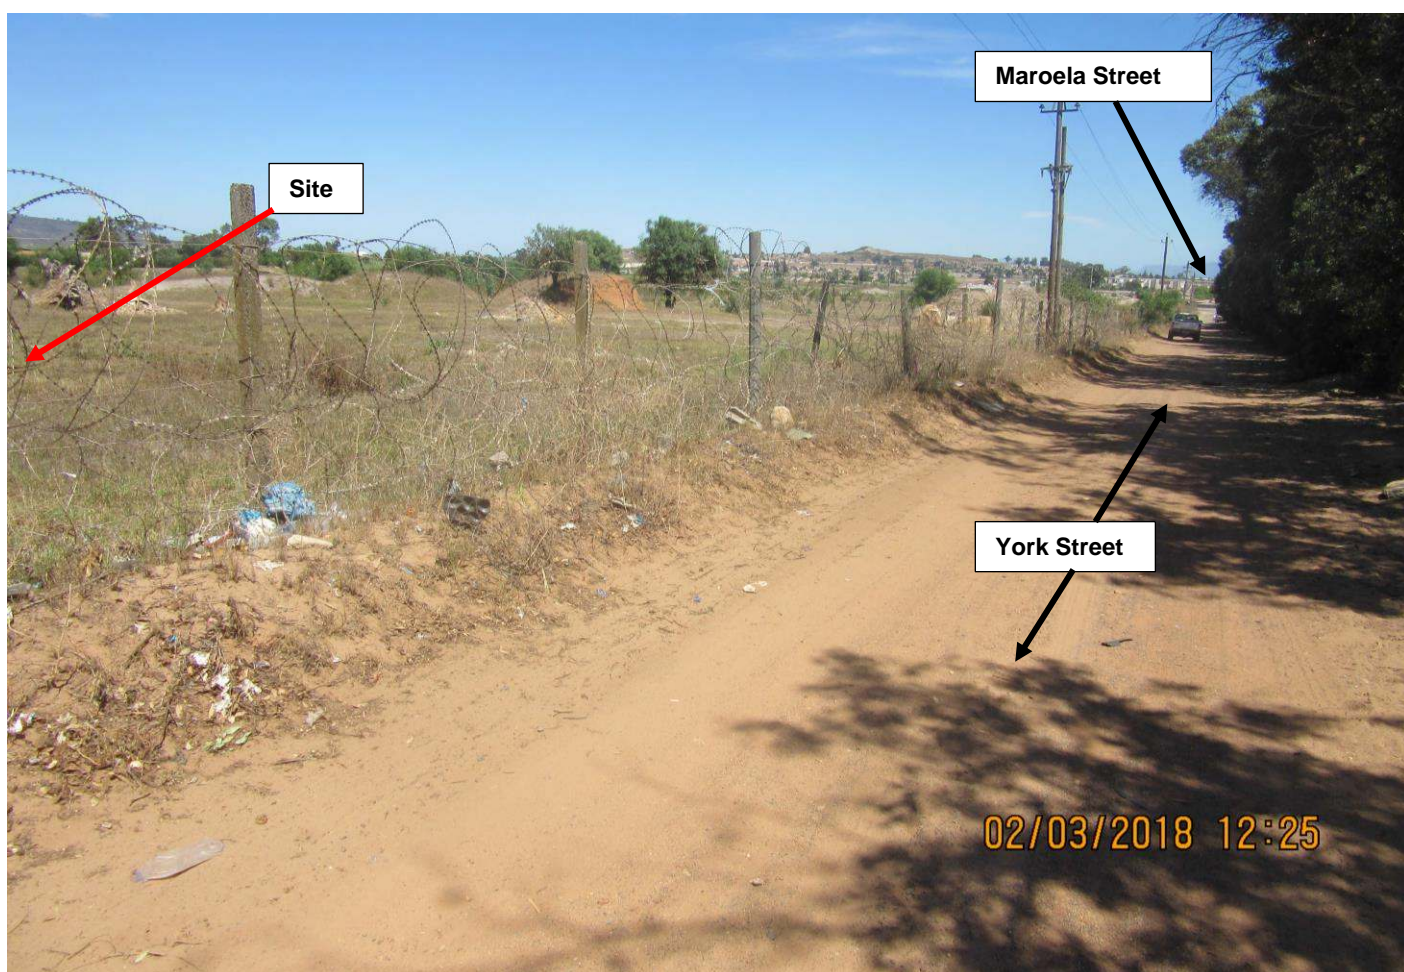

Photo 4 – View looking west down the access road (York Street), leading towards Maroela Street. The proposed site is approximately 325m north-east of Maroela Street.

Photo 5 – View of the site looking west. The proposed site is covered with kikuyu grass and is in a degraded state due to past agricultural activities on the property.
