The proposed development of a 30m high telecommunication mast on Portion 17 of Farm Koopmans Kloof No. 221, Kraaifontein, Western Cape, includes activities listed in terms of the NEMA EIA Regulations, 2014. EnviroAfrica cc has been appointed by Atlas Tower (Pty) Ltd, to undertake the NEMA EIA Application for Environmental Authorisation process.

Application for environmental authorization to undertake the following activities:

Government Notice R324 (Listing Notice 3): Activity No. 3

Project Description & Location:

A telecommunications mast, including associated infrastructure, is proposed on Portion 17 of Farm Koopmans Kloof No. 221, Kraaifontein, Western Cape. The proposed development is to clear an area of 145,6m² to erect a 30m high lattice mast with antennas situated on the top of the proposed structure. The proposed site is Agricultural zoned and is surrounded by agricultural land uses. To the north of the site is the urban area of Wallacedene, consisting of high density formal and informal housing. To the south of the site is rural consisting of agricultural land activities. The site co-ordinates are **33° 51' 46.88" S, 18° 44' 19.41" E**.

Public Participation:

Interested and Affected Parties (I&APs) are hereby notified of the application and invited to register (in writing) and/or provide initial comments and identify any issues, concerns or opportunities relating to this project to the contact details provided below, **on or before 23 July 2018**. In order to register or submit comment, I&APs should refer to the project name, and provide their name, address & contact details (*indicating your preferred method of notification*) and an indication of any direct business, financial, personal, or other interest which they have in the application. Please note that future correspondence will only be sent to registered Interested and Affected Parties.

Please note that only Registered I&APs:

- will be notified of the availability of reports and other written submissions made (or to be made) to the Department by the applicant, and be entitled to comment on these reports and submissions;
- will be notified of the outcome of the application, the reasons for the decision, and that an appeal may be lodged against a decision; and
- will be notified of the applicant's intention to appeal the decision of the competent authority, together with an indication of where and for what period the appeal submission will be available for inspection.

You are also requested to pass this information to any person you feel should be notified.
