DEADP Ref: 16/3/3/2/E3/10/1003/17

Dear madam,

NOTICE OF COMMENCEMENT OF CONSTRUCTION: DASBERG BOERDERY: THE PROPOSED CONSTRUCTION OF A NEW DAM ON PORTION 5 OF THE FARM VAN DER WATSKRAAL NO. 399, SWELLENDAM (OVERBERG DISTRICT MUNICIPALITY).

In compliance with condition 6 of the Environmental Authorisation (dated 20 June 2018), the holder of the authorisation; Mr Schalk Viljoen, we hereby give notice of intent to commence with construction.

Site location: Portion 5 of the Farm Van Der Wattskraal No. 399, Swellendam, Western Cape, Overberg District Municipality.

The client would like to confirm that the following conditions of the EA have been complied with (as required):

Compliance with condition E 6:

Seven calendar days' notice. In writing, must be given to the Competent Authority before commencement of clearing and construction activities (Compliant – please take this letter as notification that the developer plans to start with construction 7 days from the date above).

Compliance with condition E 7:

The holder of the EA must notify all registered I&APs within 14 days of the outcome of the decision (Compliant – refer to the letters and proof attached)

Compliance with condition E 8:

The listed activities, including site preparation, must not commence within 20 (twenty) calendar days from the date of issue of this Environmental Authorisation, in the event that an appeal is lodged with the Appeal Authority. (Compliant – no appeals were lodged, and site preparation has not commenced).

Compliance with condition E 12:

The holder must appoint a suitably experienced environmental control officer ("ECO"), or site agent where appropriate, before commencement of any clearing or construction activities to ensure compliance. (Compliant – EnviroAfrica has been appointed to fulfil the duties of the ECO).

Compliance with condition E 17

A qualified archaeologist and / or palaeontologist must be contracted where necessary. (Compliant – these conditions are set out the EMPr and a qualified specialist, Jonathan Kaplan from the 'Agency for Cultural Resources Management' will be appointed should heritage resources be discovered during site clearing and construction).

Compliance with condition E 18

A "Search and Rescue" exercise must be undertaken in the area of the affected remnant of Central Rûens Shale Renosterveld and rescued plants must be relocated into the area from waypoint VDW5 westwards, as specified in the Botanical Assessment. (Compliant – Deon van Eeden from 'Vula Environmental Services' has been appointed to conduct the "Search and Rescue" operation and per recommendation set out by the Botanical Specialist).

If any additional information is required, please call EnviroAfrica on 021-851 1616.

Yours sincerely,

Inge Erasmus (BA Hons).
