Government Notice R324 (Listing Notice 3): Activity No. 3

Project Description & Location:

A telecommunication mast, including associated infrastructure, is proposed on Erf 3244, 35 Vigilance Drive, Hornlee, Knysna, Western Cape. The proposed development is to clear an area of 112m² to erect a 25m high tree mast with antennas situated on the top of the proposed structure. No new roads will be constructed as an existing access road will be utilised to gain access to the proposed site. The proposed site is located within the urban area of Hornlee, and the site co-ordinates are **34° 2' 47.42" S, 23° 5' 26.85" E**.

Public Participation: Interested and/or Affected Parties (I&APs) are hereby notified of the application and invited to register (in writing) and/or provide initial comments and identify any issues, concerns or opportunities relating to this project to the contact details provided below, **on or before 11 March 2019**. In order to register or submit comment, I&APs should refer to the project name, and provide their name, address & contact details (*indicating your preferred method of notification*) and an indication of any direct business, financial, personal, or other interest which they have in the application.

Please note that future correspondence will only be sent to registered I&APs.

The Pre-Application Basic Assessment Report (Pre-App BAR) which provides more information on the proposed development, will be available on our website (www.enviroafrica.co.za) on **08 February 2019**.

You are also requested to pass this information to any person you feel should be notified.
