24/01/2019	<p>1. The aforementioned document dated 22 November 2018 and received by this Department on 06 December 2018 refers.</p> <p>2. From the information provided in the document, the following is understood:</p> <ul style="list-style-type: none"> <li>* The proposal is to install a 25-metre-high telecommunication mast and base station on Erf 2517, Prince Albert.</li> <li>* The proposed mast will be a monopole tree mast and will have a development footprint of 100 square metres.</li> <li>* Antennas will be placed onto the mast.</li> <li>* The base station will be enclosed with a 2.4m high steel palisade fence for safety and security.</li> <li>* The mast will have an access gate.</li> </ul>	DEA&DP: Region 3	Prince Albert Bush Pub Telecommunication Mast	<p>I hereby acknowledge receipt of the Department's comment dated 24 January 2018.</p> <p>Please see the responses to your points raised below:</p>	EnviroAfrica
"	<p>3. After considering the information provided in the Notice of Intent the Department concurs that the proposed development constitutes a listed activity as defined in terms of the NEMA EIA Regulations, 2014, namely Activity 3 of GN No. R. 985 of 4 December 2014 (as amended 7 April 2017).</p>	DEA&DP: Region 3	Prince Albert Bush Pub Telecommunication Mast	Noted. "	<p>4. Please note the following advise pertaining to the pre-application process and proposed application:</p> <p><u>Location / Site</u></p> <p>5. Based on the available information from the Surveyor General, the site forms part of a cadastral unit described as Erf 2808, Prince Albert (SG code C06100030000280800000). It appears that this property consists of two components, namely Erf 2517 and Erf 2534. Clarity is sought on this matter and the site and project description must be corrected if Erf 2808 is indeed the correct cadastral unit.</p>	DEA&DP: Region 3	Prince Albert Bush Pub Telecommunication Mast	<p>Noted.</p> <p>The applicant confirmed that the site is located on Erf 2157 (A portion of Erf 559) as per the Title Deed.</p>	EnviroAfrica
"	<p><u>Process:</u></p> <p>6. A Basic Assessment process must be followed in order to apply for Environmental Authorisation. Only those activities applied for shall be considered for authorisation. The onus is on the applicant to ensure that all the applicable listed activities are applied for and assessed as part of the Basic Assessment Process.</p>	DEA&DP: Region 3	Prince Albert Bush Pub Telecommunication Mast	Noted. "	8. Please ensure the Basic Assessment Report ("BAR") and Environmental Management Programme ("EMPr") contains all information requirements outlined in Appendix 1 and 4 respectively of GN R. 982 of 4 December 2014 (as amended 7 April 2017).	DEA&DP: Region 3	Prince Albert Bush Pub Telecommunication Mast	Noted.	EnviroAfrica
"	<u>Public Participation</u> 9. A public participation process ("PPP") that meets the requirements of Regulation 41 of the EIA Regulations, 2014 must be undertaken. You are advised that public participation may be undertaken prior to the submission of the application, although this is not mandatory. It is the Environmental Assessment Practitioner's discretion at what stage the requirements of Regulation 41 are met, whether during the proposed pre-application process or formal application process; however, it is advised to comply with this requirement in the pre-application process. You are reminded that a period of at least 30-dys must be provided to all potential or registered interested and affected parties to submit comment on the BAR and EMPr.	DEA&DP: Region 3	Prince Albert Bush Pub Telecommunication Mast	Noted.	EnviroAfrica
"	10. Should a public participation process, which includes the circulation of the pre-application BAR for comment, be undertaken prior to the submission of an Application Form to the Department, in terms of Regulation 40, the pre-application BAR must also be submitted to the Department for commenting purposes. Please ensure a minimum of one printed copy and one electronic copy of the pre-application BAR is submitted to the Department for commenting purposes.	DEA&DP: Region 3	Prince Albert Bush Pub Telecommunication Mast	Noted.	EnviroAfrica
"	11. In terms of Section 240 (2) and (3) of NEMA and Regulation 7(2) and 43(2) of the EIA Regulations, 2014, any State Department that administers a law relating to a matter affecting the environment relevant to the application must be requested to comment within 30 days. Please note that the Environmental Assessment Practitioner ("EAP") is responsible for such consultation. Therefore, it is requested that the EAP include proof of such notification to the relevant State Departments in terms of Section 240 (2) and (3) of NEMA in the BAR, where appropriate.	DEA&DP: Region 3	Prince Albert Bush Pub Telecommunication Mast	Noted.	EnviroAfrica
"	12. The Department awaits the submission of the Application Form and/or pre-application BAR prescribed by the EIA Regulations, 2014. Please note that one printed copy and one electronic copy (saved on CD/DVD) on the Application Form must be submitted.	DEA&DP: Region 3	Prince Albert Bush Pub Telecommunication Mast	Noted.	EnviroAfrica
"	<u>General</u> 13. It is advised that a pre-application consultation meeting be held with this Directorate. Please note that a pre-application consultation is an advisory process and does not pre-empt the outcome of any future application which may be submitted to the Department.  No information provided, views expressed and/or comments made by officials during the pre-application consultation should in any way be seen as an indication or confirmation: * that additional information or documents will not be requested; or * the outcome of the application.	DEA&DP: Region 3	Prince Albert Bush Pub Telecommunication Mast	Noted.	EnviroAfrica
"	14. The Department reminds you that the "Request for a specific fee reference number" form must be completed and submitted to the Department prior to submission of the formal application for the aforementioned proposed development. Upon receipt of the specific fee reference number, it must be inserted into the Application Form and proof of payment of the applicable fee attached when the Application Form is submitted to the Department.	DEA&DP: Region 3	Prince Albert Bush Pub Telecommunication Mast	Noted.	EnviroAfrica
"	15. Please note that it is an offence in terms of Section 49A(1)(a) of the NEMA for a person to commence with a listed activity unless the Competent Authority has granted an Environmental Authorisation for undertaking it. Failure to comply with the requirements of Section 24F of the NEMA shall result in the matter being referred to the Environmental Compliance and Enforcement Directorate of this Department. A person convicted of an offence in terms of the above is liable to a fine not exceeding R10 million or to imprisonment for a period not exceeding 10 years, or both such fine and imprisonment.	DEA&DP: Region 3	Prince Albert Bush Pub Telecommunication Mast	Noted.	EnviroAfrica
"	16. This Department reserves the right to revise or withdraw initial comments or request further information from you based on any information received.	DEA&DP: Region 3	Prince Albert Bush Pub Telecommunication Mast	Noted.	EnviroAfrica
