PASTOR M CHRIS

He does it for Godly sake. Dear readers, I am S. Kelly, a 65-year-old white woman from Sandton, Jhb. I am so excited with the positive results I got after consulting with Pastor M Chris, holy man of God, after just one consultation with him over the phone. He prayed for me and gave me his holy oil. My husband, who had left me for another young lady, came back ASKING FOR FORGIVENESS. The holy pastor then prayed for my estate business and now we are making a lot of profit. There is no way I can thank him all over the world. If you have similar problems such as business, relationship, financial, family, etc. do not die in silence.
CALL HIM ON 064 012 9034.

WITHIN 20 MINUTES LADY PEACE WASHED AWAY ALL MY TEARS!
I am testifying due to the trust that I have in Lady Peace. After 49 years of suffering, she made me the happiest man in the world. I am Vincent Kruger, 49 years old. I worked as a teacher for 15 years, without any success, even in trying to build a roof over my head. I had kids who needed care and education, but I couldn't afford any of this. I had a lot of debt. One day I saw Christopher's testimony in the newspaper about Lady Peace. I decided to call her for help. She gave me the Lotto winning numbers 13,2,26,33,46,51 and I was shocked to see the numbers on TV - thereby winning R2 485 500. I cleared all my debt, bought a new house and car. I'm now the happiest man! So, my fellow brothers and sisters, don't hesitate to call her. She is even the best with lost love, removing bad luck, troubled marriages and other.
Call or WhatsApp 081 281 2807.

Mr Johan Eggers **NVIROAFRICA CC**

NEMA PUBLIC PARTICIPATION PROCESS

SECTION 24G APPLICATION FOR THE UNLAWFUL DEVELOPMENT OF KLIPPUNT DRYING BEDS FOR RAISINS, PORTION 10 OF THE FARM MC TAGGERSKAMP SOUTH NUMBER 636, UPINGTON, NORTHERN CAPE.

Notice is hereby given of the intention to submit an application for the rectification of the unlawful development of Klippunt drying beds for Raisins, Portion 10 of the Farm Mc Taggerskamp South Number 636, Upington, and the public participation process in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998), as amended ("NEMA"), and the Section 24G Application in terms of Section 24G of the NEMA and the NEMA EIA Regulations 2014. The proposed development includes activities listed in terms of the NEMA EIA Regulations 2014 (as amended).

EnviroAfrica cc has been appointed by Mr Johan Eggers, to undertake the NEMA Application for Environmental Authorisation process.

Application for environmental authorization to undertake the following activities: Government Notice R324 (Listing Notice 1): Activity No. 19 and 27. Please note that should additional listed activities be identified during the application process they will be communicated to registered I&AP's.

Project Description and Location:
The unlawful development of Klippunt drying beds for Raisins, Portion 10 of the Farm Mc Taggerskamp South Number 636, Upington. The site has been cleared and an area of ± 10 ha of indigenous vegetation was lost. The cleared site is located on undeveloped land, surrounded by agricultural land uses. The N14 lies directly north west of the site. Upington lies north east of the site, with Dyasons Kip Settlement to the south west and Keimoes further south west. The site co-ordinates are 28° 35' 21.88" S, 21° 07' 18.35" E.

Public Participation:
Interested and Affected Parties (I&APs) are hereby notified of the application and invited to register (in writing) and/or provide initial comments and identify any issues, concerns or opportunities relating to this project to the contact details provided below, on or before 30 November 2018. In order to register or submit comment, I&APs should refer to the project name, and provide their name, address & contact details (indicating your preferred method of notification) and an indication of any direct business, financial, personal, or other interest which they have in the application. Please note that future correspondence will only be sent to registered Interested and Affected Parties.

Please note that only Registered I&APs:

- Will be notified of the availability of reports and other written submissions made (or to be made) to the Department by the applicant, and be entitled to comment on these reports and submissions;
- Will be notified of the outcome of the application, the reasons for the decision, and that an appeal may be lodged against a decision; and
- Will be notified of the applicant's intention to appeal the decision of the competent authority, together with an indication of where and for what period the appeal submission will be available for inspection.

You are also requested to pass this information to any person you feel should be notified.

DAWID KRUIPER LOCAL MUNICIPALITY **ENVIROAFRICA CC**

NEMA PUBLIC PARTICIPATION PROCESS
PROPOSED LOUBOS OXIDATION PONDS, REMAINDER OF FARM MIER NO. 585, LOUBOS
DAWID KRUIPER LOCAL MUNICIPALITY, NORTHERN CAPE

Notice is hereby given of the intention to submit a NEMA application and Water Use Licence Application (WULA), and the public participation, process, in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998), as amended ("NEMA"), Environmental Impact Assessment Regulations 2014 and the National Water Act, 1998 (Act No. 36 of 1998). The proposed Loubos oxidation ponds includes activities listed in terms of the NEMA EIA Regulations 2014.

EnviroAfrica cc has been appointed by Dawid Kruijer Local Municipality to undertake the NEMA for Environmental Authorisation process.

Application for environmental authorisation to undertake the following activities in terms of NEMA EIA Regulations 2014:

- Government Notice R327 (Listing Notice 1): Activity No. 12
- Government Notice R324 (Listing Notice 3): Activity No. 12, 14

*Please note that the listed activities above may change during the course of the NEMA Application process. Registered I&APs will be notified of any changes.

Project Description and Location:
The site is located on Remainder of Farm Mier No. 585, near the town of Loubos. Six different potential site locations have been identified on the property which will be assessed, of which only one will be developed. Site Co-ordinates for Site Alternative 1: 26°42'12.58"S 20°05'57.85"E

It is proposed that new oxidation ponds be constructed near the town. The oxidation ponds will consist of the following: 2 Anaerobic Ponds (525 m3), 1 Facultative Pond (1013 m3), 2 Aerobic Ponds (2025 m3) and 1 Final Storage Pond (700 m3). The total surface area of the oxidation ponds will be 0,24 ha.

Sewerage will be collected from the existing conservancy tanks in Loubos and be transported and disposed of in the proposed oxidation ponds for treatment.

Public Participation:
Interested and Affected Parties (I&APs) are hereby notified of the application and invited to register (in writing) and/or provide initial comments and identify any issues, concerns or opportunities relating to this project to the contact details provided below on or before 30 November 2018. In order to register or submit comment, I&APs should refer to the project name and provide their name, address and contact details (indicating your preferred method of notification) and an indication of any direct business, financial, personal, or other interest which they have in the application. Please note that future correspondence will only be sent to registered Interested and Affected Parties.

Please note that only Registered I&APs:

- will be notified of the availability of reports and other written submissions made (or to be made) to the Department by the applicant, and be entitled to comment on these reports and submissions
- will be notified of the outcome of the application, the reasons for the decision, and that an appeal may be lodged against a decision and
- will be notified of the applicant's intention to appeal the decision of the competent authority, together with an indication of where and for what period the appeal submission will be available for inspection.

You are also requested to pass this information to any person you feel should be notified.
