Dear Interested and Affected Party

NEMA PUBLIC PARTICIPATION PROCESS

**PROPOSED LOUBOS OXIDATION PONDS, REMAINDER OF FARM MIER NO. 585, LOUBOS
DAWID KRUIPER LOCAL MUNICIPALITY, NORTHERN CAPE**

Notice is hereby given of the intention to submit a NEMA application and Water Use License Application (WULA), and the public participation, process, in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998), as amended ("NEMA"), Environmental Impact Assessment Regulations 2014 and the National Water Act, 1998 (Act No. 36 of 1998). The proposed Loubos oxidation ponds includes activities listed in terms of the NEMA EIA Regulations 2014.

EnviroAfrica cc has been appointed by Dawid Kruiper Local Municipality to undertake the NEMA for Environmental Authorisation process.

Application for environmental authorization to undertake the following activities in terms of NEMA EIA Regulations 2014:

- Government Notice R327 (Listing Notice 1): Activity No. 12
- Government Notice R324 (Listing Notice 3): Activity No. 12, 14

**Please note that the listed activities above may change during the course of the NEMA Application process. Registered I&APs will be notified of any changes.*

Project Description & Location:

The site is located on Remainder of Farm Mier No. 585, near the town of Loubos. Six different potential site locations have been identified on the property (please refer to the Google Earth below) which will be assessed, of which only one will be developed.

It is proposed that new oxidation ponds be constructed near the town. The oxidation ponds will consist of the following: 2 x Anaerobic Ponds (525 m³), 1 x Facultative Pond (1013 m³), 2 x Aerobic Ponds (2025 m³) and 1 x Final Storage Pond (700 m³). The total surface area of the oxidation ponds will be 0.24ha.

Sewerage will be collected from the existing conservancy tanks in Loubos and be transported and disposed of in the proposed oxidation ponds for treatment.

Public Participation:

Interested and Affected Parties (I&APs) are hereby notified of the application and invited to register (in writing) and/or provide initial comments and identify any issues, concerns or opportunities relating to this project to the contact details provided below, on or before 07 December 2018. In order to register or submit comment, I&APs should refer to the project name, and provide their name, address & contact details (*indicating your preferred method of notification*) and an indication of any direct business, financial, personal, or other interest which they have in the application. Please note that future correspondence will only be sent to registered Interested and Affected Parties.

Please note that only Registered I&APs:

- will be notified of the availability of reports and other written submissions made (or to be made) to the Department by the applicant, and be entitled to comment on these reports and submissions;
- will be notified of the outcome of the application, the reasons for the decision, and that an appeal may be lodged against a decision; and
- will be notified of the applicant's intention to appeal the decision of the competent authority, together with an indication of where and for what period the appeal submission will be available for inspection.

You are also requested to pass this information to any person you feel should be notified.
