**RE : Harmony Trust – Proposed Construction of a Dam on Remainder of The Farm
Houdenbek No 415, Ceres**

I, Gail Hunter, request my inclusion as an affected party to the building of the proposed dam at Remainder Farm Houdenbek, No. 415, Ceres.

I am a member of Zeekoegat Farms CC, through which the Riet River runs.

The Riet River, which is our only water source, is fed from the Winkelhaaks River in turn fed from the Houdenbek river and catchment area.

The proposed damming of the river and catchment area would result in the removal of our essential water source.

Yours sincerely

GAIL HUNTER (MRS)
