

NEMA AND WULA PUBLIC PARTICIPATION PROCESS

INVITATION TO COMMENT

Notice is hereby given of the intention to submit a NEMA application and Water Use Licence Application (WULA), and the public participation process, in terms of the National Environmental Management Act, 1998 (Act No 107 of 1998), as amended ("NEMA"), Environmental Impact Assessment Regulations 2014 and the National Water Act, 1998 (Act No 36 of 1998). The Proposed Lethabo Park Township Establishment Project, Kimberley, Northern Cape Province includes activities listed in terms of the NEMA EIA Regulations 2014.

EnviroAfrica cc has been appointed to conduct the NEMA Application including Environmental Impact Assessment Process as part of the multidisciplinary team led by Macroplan on behalf of Sol Plaatje Local Municipality. The project aims to provide low and middle-income erven by conducting planning and surveying on the proposed relocation site. The proposed project entails the development of approximately 2 000 low income erven with an average size of 300 m²; approximately 100 middle income erven of 500 - 600 m² in size and CRU (Community Residential Units) units (number and size yet to be determined). The total area to be developed measures 90 (ninety) hectares.

An Environmental Authorisation and Water Use Licence should be obtained from the relevant authorities before activities commence. The relevant listings in terms of the NEMA EIA Regulation 2014 are as follows:

National Environmental Management Act, 1998 (Act No 107 of 1998):

GNR	Listing Notice No	Activities
R327	Listing Notice 1	Activities No: 1, 9, 10, 11, 12, 13, 19, 24, 25, 27, 56
R325	Listing Notice 2	Activities No: 15, 27
R324	Listing Notice 3	Activities No: 2, 4, 12, 14, 15

National Water Act, 1998 (Act No 36 of 1998) for water use as defined in Section 21c and i:

Section	Listing	Description
21	C	Impeding or diverting the flow of water in a water course.
21	I	Altering the bed, banks, course, or characteristics of a watercourse. This includes altering the course of a watercourse (previously referred to as a river diversion).

***Please note that the listed activities above may change during the course of the NEMA Application process. Registered I&APs will be notified of any changes.**

Renelwe Consulting and Planners has been appointed by EnviroAfrica on behalf of the project team as an independent consultant to undertake the required public participation process for the Environmental Impact Assessment and Water Use Licence applications.
