Dear Gert

All is well on my side, thank you. I trust that you are still going strong as well.

The N12 which you want to cross in the Prince Albert Municipal Area is not a proclaimed national road and still falls under the jurisdiction of the PGWC.

You can contact Evan Burger at PGWC who can assist you with the application.

Kind Regards

**Colene Runkel**

**Importance:** High

Good Afternoon Coleen

I trust that you are well and that 2019 has not been too cruel to you thus far!

Coleen, we are engaged in a project at Klaarstroom village within the Prince Albert Municipality. The project requires that an irrigation pipeline needs to cross the N12 national road at Klaarstroom.

I would like to enquire whether this road falls within the jurisdiction of the SANRAL Western Region, and if not, under which region does it resort?

If it is within the Western Region, I would like to notify you that we wish to apply for a wayleave / permission to cross the N12 with an irrigation pipeline either through an existing pipe culvert , or attach said pipeline to the bridge over the Groot River, or as 3<sup>rd</sup> alternative by means of directional drilling through the road formation. We are open to discussion of your preferences in this regard. On the attached photograph, we are looking at either the RED line (bridge) or the MAGENTA line (culvert crossing). We are still in the planning stage, subsequently, we are open to your inputs/preferences.

Your kind response to our enquiry will be greatly appreciated.

Kind regards

**Gert Meiring** *Pr Tech Eng*
