Government Notice R324 (Listing Notice 3): Activity No. 3

**Project Description & Location:**

A telecommunications mast, including associated infrastructure, was unlawfully developed on Portion 47 of Farm 222, Crammix Road, Brackenfell, Western Cape. The unlawful development cleared an area of 67m<sup>2</sup> to erect a 25m high monopole tree mast with antennas situated on the top of the telecommunication structure. No new roads will be constructed as an existing access road was used to gain access to the site. Construction on the 25m high telecommunication mast commenced on 24 July 2017 and completed on 23 August 2017. The monopole tree mast and base station is fully operational. The site is located outside the urban area of Brackenfell and is Agriculture zoned, and the site co-ordinates are **33° 53' 26.47" S, 18° 43' 16.71" E**.

**Public Participation:** Interested and Affected Parties (I&APs) are hereby notified of the application and invited to register (in writing) and/or provide initial comments and identify any issues, concerns or opportunities relating to this project to the contact details provided below, on or before 11 March 2019. In order to register or submit comment, I&APs should refer to the project name, and provide their name, address & contact details (*indicating your preferred method of notification*) and an indication of any direct business, financial, personal, or other interest which they have in the application. Please note that future correspondence will only be sent to registered Interested and Affected Parties.

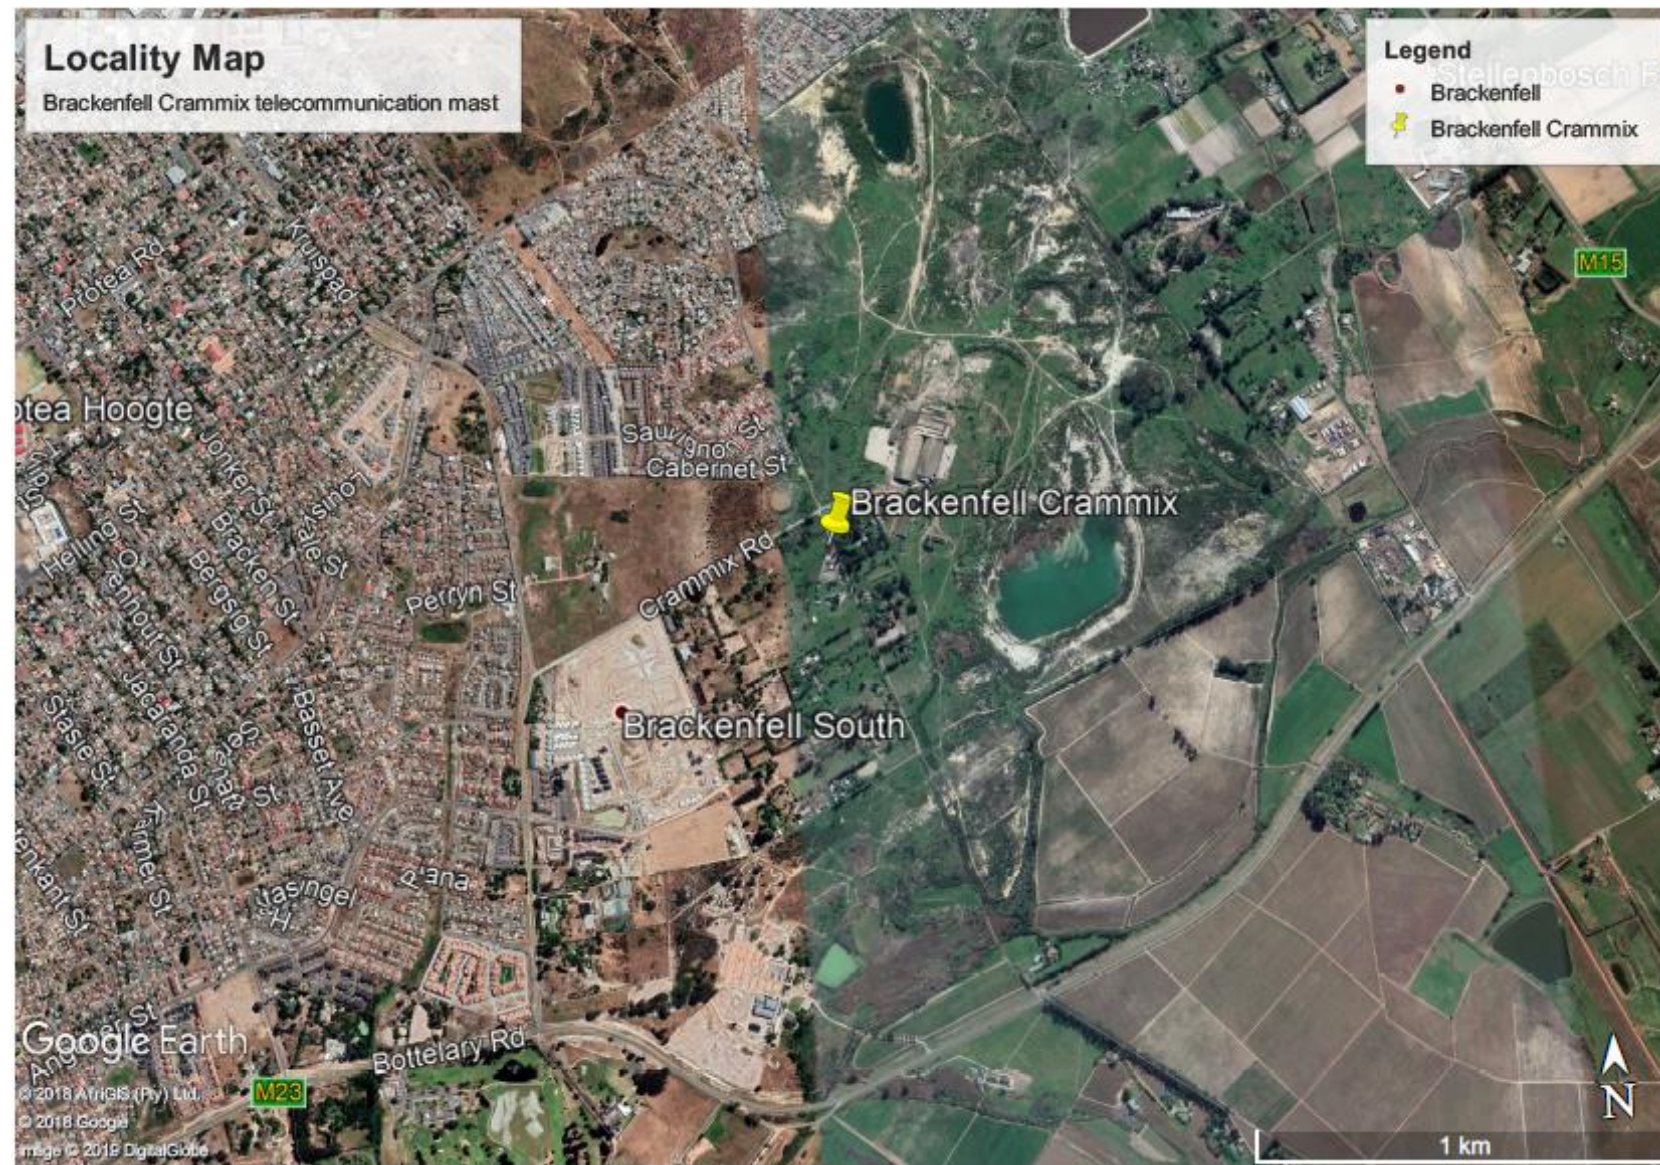

Please note that only Registered I&APs:

- will be notified of the availability of reports and other written submissions made (or to be made) to the Department by the applicant, and be entitled to comment on these reports and submissions;
- will be notified of the outcome of the application, the reasons for the decision, and that an appeal may be lodged against a decision; and
