		We want to register as an affected party in the abovementioned process. Kakamas Water Users Association is involved in the supply of water for irrigation and household use as well as the drainage of excess water. We therefore needs to be formally part of the abovementioned process.	GJJ van Niekerk - Kakamas Water Users Association	Noted. You have been registered as an Interested and Affected Party, and will be notified of the availability of all reports, and provided an opportunity to view and comment on them.	EnviroAfrica
