Dear Mr. D van Driel

**ACKNOWLEDGEMENT OF RECEIPT OF YOUR APPLICATION TO APPLY FOR A WATER USE LICENCE IN TERMS OF SECTION 40 OF THE NATIONAL WATER ACT, 1998 (ACT 36 OF 1998), ORANGE PROTO-CATCHMENT MANAGEMENT AGENCY (OPCMA).**

The Department of Water and Sanitation hereby acknowledges receipt of your application to apply for a water use licence received on 13 October 2017

The water use license application processes require that a Site Visit be conducted with prospective applicants where the water use will take place before they can submit their full water use license application with technical reports to the Department. You are therefore advised to arrange a site visit to your property with the Department on or before 30 October 2017. Failure to arrange and to confirm availability within the specified time may lead to the rejection of your application for a water use license.

Please note that if you submit your technical reports without a site visit being conducted, your application will be assessed on the basis of unverified information. Should you wish to make further enquiries in this regard, please do not hesitate to contact Ms Chantel Schwartz at telephone number 054 338 5836.

Yours faithfully,

PROVINCIAL HEAD: NORTHERN CAPE OPERATIONS
