Dear Mr. Kleinhans

I am the consultant to whom the this project was handed when Ms. Erasmus left at the end of last year.

Please find comment on the first revised basic assessment report (RBAR) from the Western Cape Department of Agriculture: Land Use Management, as received today by EnviroAfrica's office (Letter dated 22 January 2020. Postage stamp on envelope dated 03 February 2020). The attached comment will also be included in the final BAR.

I understand that you will issue a formal acknowledgement of receipt for the second RBAR as couriered to your offices (cover letter dated 31 January 2020) within the prescribed period and that you are not obliged to response to my enquiry. However, due to the extremely tight timeframe this project is constrained by, could you please let me know whether the second RBAR was indeed received by the Department on Monday 03 February 2020 (implying that your 30 day comment period would end on 04 March 2020)?

Thank you,
Vivienne Thomson
