Good day

Please refer to the EnviroAfrica website for information regarding the proposed mast.  
<https://enviroafrica.co.za/projects/for-public-participation/> (Hans Moes Kraal)

There you will find locality maps as well as site development plans. It is proposed that a tree mast be developed on the site. I

Please also note that a Visual Impact Assessment will still be conducted for this site and findings and recommendations will be included in the next report (Post-Application Basic Assessment Report) to go out for comment. I will register you as an Interested and Affected Party (I&AP) and send you notification regarding new information on the proposed development.

Please have a look on the website and if you require any more information you can send me a direct email.

Kind regards  
Inge

Hi,

I am owner of one of the stands with in the LE grand estate.

I would like to confirm the location of the mast as below:

And what type of mast will this be? 3 leg, pole or what?

Kind Regards
