Dear Interested and Affected Party

re.: **Second Revised Draft Basic Assessment Report (RBAR 2) for the Atlas Tower (Pty) Ltd: Proposed Development of a 25m High Telecommunications Mast on Portion 112 of the Farm Hans Moes Kraal No. 202, George, Eden District, Western Cape**  
(Ref. No.: 16/3/3/1/D2/19/0015/19)

You have been registered as an interested and affected party for the above-mentioned proposed project.

Please find, for your perusal and comment, an electronic copy of the RBAR 2 for the Atlas Tower (Pty) Ltd: Proposed Development of a 25m High Telecommunications Mast on Portion 112 of the Farm Hans Moes Kraal No. 202, George, Eden District, Western Cape.

This second round of public participation for the RBAR 2 was necessitated since the original revised draft basic assessment report did not contain the correct aspect and impact rating information (Appendix J2) and the visual impact assessment specialist reports and opinion (Appendix G) have been amended to accommodate any future potential for changes in the natural environment (vegetation) surrounding the proposed site.

The documents on the enclosed cd are also available on EnviroAfrica's website at [www.enviroafrica.co.za/projects/for\\_public\\_participation/Hans Moes Kraal RBAR 2](http://www.enviroafrica.co.za/projects/for_public_participation/Hans_Moes_Kraal_RBAR_2).

Should you have any comments queries or concerns regarding the project, please notify EnviroAfrica in writing by **04 March 2020**, at the contact details below.

I trust everything is in order and look forward to your valued input.

Yours sincerely,

Vivienne Thomson
