PUBLIC PARTICIPATION PROCESS

PROPOSED AGRICULTURAL DEVELOPMENT ON PORTION 3 OF FARM 143, VIERFONTEIN, NAPIER, WESTERN CAPE

Notice is hereby given of a public participation process in terms of the National Environmental Management Act, 1998 (Act 107 of 1998) ("NEMA") and the EIA Regulations (2014) as amended, as well as the National Water Act, 1998 (Act 36 of 1998) ("NWA"); for the application for environmental authorisation (EA):

Relevant notice(s):	Activity No (s)	Description
GN. R. 327 (2014) Listing Notice 1	12	The development of (ii) infrastructure or structures with a physical footprint of 100 square metres or more: where such a development occurs – (a) within a watercourse.
	19	The infilling or depositing of any material of more than 10 cubic metres into, or the dredging, excavation, removal or moving of soil, sand, shells, shell grit, pebbles or rock of more than 10 cubic metres from a watercourse;
	27	The clearance of an area of 1 ha or more, but less than 20 ha of indigenous vegetation,
GN. R. 327 (2014) Listing Notice 3	12	The clearance of an area of 300m ² or more of indigenous vegetation except where such clearance of indigenous vegetation is required for maintenance purposes undertaken in accordance with a maintenance management plan (i) Western Cape (ii) within any critically endangered or endangered ecosystems listed in terms of section 53 of the NEMBA or prior to the publication of such a list, within an area that has been identified as critically endangered on the National Spatial Biodiversity Assessment 2004.

Please note that should additional listed activities be identified during the application process they will be communicated to registered I&AP's. EnviroAfrica cc has been appointed by Napier Berries (Pty.) LTD. to undertake the Environmental Impact Assessment (EIA) for the proposed project.

Project Description & Location: 34° 29' 49.29"S 19° 54' 11.24"E

This application is for the proposed clearance of not more than 20ha of natural vegetation for an agricultural development on Portion 3 Farm No. 143, Vierfontein, Napier. The proposed location overlaps existing agricultural land. According to maps on Cape Farm Mapper the vegetation that can be expected on the site is Overberg Sandstone Fynbos; the site partially falls within a Critical Biodiversity Area Category 2 (CBA2: Terrestrial) and an Ecological Support Area Category 1 (ESA 1: Terrestrial); and the Klipdrivier flows past the western border of the farm with a non-perennial stream intersecting the property.

Description of Alternatives:

Alternative includes layout options and the option of not proceeding with the proposed development (the No-Go option) will be discussed in the application process.

Public Participation:

Interested and Affected Parties (I&APs) are hereby notified of the application and invited to register (in writing) and/or provide initial comments and identify any issues, concerns or opportunities relating to this project to the contact details provided below, **on or before 4 November 2019**. In order to register or submit comment, I&APs should refer to the project name and provide their name, address & contact details (*indicating your preferred method of notification*) and an indication of any direct business, financial, personal, or other interest which they have in the application. Please note that future correspondence will only be sent to registered Interested and Affected Parties. You are also requested to pass this information to any person you feel should be notified.
