C. Arendorf

01/03/2019

Issued By:

Carlo Arendorf

Approved on Behalf CEO

Western CapeNature Conservation Board

Effective Date:

Signature of Holder:

I acknowledge, accept and understand fully the permit conditions as described.

STANDARD CONDITIONS

1. The holder of this permit shall return it together with a return of the species flora and the number of each species which he/she plucked thereunder, to the Chief Executive Officer, Western Cape Nature Conservation Board, Private Bag X29, Gatesville, 7766, within fourteen days from the date of expiry thereof.
2. THIS PERMIT IS SUBJECT TO SPECIAL CONDITIONS.

TITLE OF PROJECT:

Rehabilitation of divisional road 1688 and the upgrading of divisional road 1699, Calitzdorp-Oudtshoorn, Western Cape.

This permit is subject to the following special conditions:

1. Should any species of conservation concern (Redlist : see redlist.sanbi.org) be collected on site that the record be sent to CapeNature.

CONDITIONS APPLICABLE TO RESEARCHERS UNDERTAKING RESEARCH OR OTHER COLLECTING WORKS ON PROVINCIAL CONSERVATION AREAS AND / OR PRIVATELY OWNED LAND IN THE PROVINCE OF WESTERN CAPE:

(1) THE MANAGER OF THE RELEVANT NATURE RESERVE(S) / PROTECTED AREA(S) (IF ANY) MUST BE INFORMED TIMEOUSLY BEFORE ANY NATURE RESERVE / PROTECTED AREA IS ENTERED FOR COLLECTING OR RESEARCH PURPOSES AND THE MANAGER'S WRITTEN PERMISSION TO ENTER SUCH RESERVE MUST BE ACQUIRED BEFOREHAND. THIS PERMIT DOES NOT GRANT THE PERMIT HOLDER AUTOMATIC ACCESS TO ANY NATURE RESERVE, PROTECTED AREA, WILDERNESS AREA AND / OR STATE FOREST. ANY OTHER / FURTHER CONDITIONS OR RESTRICTIONS THAT THE MANAGER MAY STIPULATE AT HIS / HER DISCRETION MUST ALSO BE ADHERED TO. THIS PERMIT MUST BE AVAILABLE TO BE SHOWN ON DEMAND.

(2) Please note that for research projects within a National Park a permit is also required from South African National Parks Board . Also for a research project within the marine environment a research project is also required from the Department of Environmental Affairs.

(3) The owner of any other land concerned (be it privately or publicly owned land) must give WRITTEN consent allowing the permit holder to enter said property to collect flora / fauna. This written permission must reflect the full name and address of the property owner (or of the person authorised to grant such permission), the full name and address of the person to whom the permission is granted and the number and species of the flora / fauna, the date or dates on which such flora / fauna may be picked / collected and the land in respect of which permission is granted. Copies of this written permission must be made available to CapeNature staff upon request.

(4) Type-specimens of any newly described / discovered species or other taxon collected must be lodged with a recognised South African scientific institution / museum / herbarium (preferably within the Western Cape Province) where such material will be available to other researchers. For every flora specimen collected on a Western Cape Nature Conservation Board nature reserve , one additional (extra) herbarium specimen must be forwarded to the Western Cape Nature Conservation Board Herbarium at Jonkershoek (Scientific Services Herbarium, Private Bag X5014, Stellenbosch, 7599).

(5) A list of all collected specimens / material (including mortalities and bycatch) must be provided in the SOB format required (Appendix 1) and must be submitted electronically within 14 days from the date of expiry of your permit to CapeNature's permit office (permits.fax@capenature.co.za).

(6) The maximum number of specimens per species specified in the permit (if at all) may not be exceeded without the prior written permission of The Chief Executive Officer: Western Cape Nature Conservation Board.

(7) For projects of more than one year's duration a progress report must be submitted electronically to permits.fax@capenature.co.za before 31 December of each year.

(8) One copy (hard and electronic) of all completed reports, publications, or articles (including books, digital media etc.) resulting from the project/collection must be submitted to The Chief Executive Officer: Western Cape Nature Conservation Board Private Bag x29, Gatesville, 7766 at no cost to CapeNature.

(9) Should a report, publication, article or thesis arise from this project/collection, an acknowledgement to CapeNature must be included.

(10) Nature Conservation Ordinance, 1974 (Ordinance 19 of 1974) and all regulations in terms of the Ordinance must be adhered to. . It is the applicant's responsibility to adhere to any other relevant legislation .

(11) Should it be envisaged to export any material / specimens across the boundaries of the Western Cape Province , an export permit will be required in respect of certain species and a further application form will have to be completed. The permit holder must confirm with the Western Cape Nature Conservation Board whether an export permit is required BEFORE exporting any material / specimens from the Western Cape Province.

(12) No species listed as rare or threatened on the Red Data List or species listed as endangered in terms of the Nature Conservation Ordinance, 1974 (Ordinance 19 of 1974) may be collected, except for those specified on the permit.

(13) Unless otherwise specifically indicated in writing, no material or specimens collected with this permit or material or specimens bred or propagated, from material or specimens collected with this permit, may be donated, sold or used for any commercial purpose by any party or released back into the wild.

(14) Where applicable, ethics clearance must be acquired from your research institute prior to application and a copy of this ethics clearance must accompany your application.

Chief Executive Officer
