

Photo 1: Taken from point 1, looking west towards the proposed site of development.

Photo 2: Taken from point 1, looking in a north-westerly direction over the preferred site earmarked for development. Some informal households have been established within the proposed site of development.

Photo 3: Taken from point 1, facing north. Note, rugby field is situated adjacent to the proposed site for development.

Photo 4: Taken from point 2, facing south towards the drainage line.

Photo 5: Taken from point 2, looking upstream of the drainage line within the proposed site of development.

Photo 6: Taken from point 2, facing a southerly direction along unnamed gravel road.

Photo 7: Taken from point 2, looking downstream of the drainage line located within the proposed site for development.

Photo 8: Taken from point 3, looking south across the drainage line located within the proposed development footprint.

Photo 9: Taken from point 3, facing an easterly direction (upstream of the drainage line).

Photo 10: Taken from point 4, facing a westerly direction (downstream of the drainage line). Note, illegally dumped general and hazardous (e.g. nappies) waste within the drainage line.

Photo 11: Taken from point 3, downstream of the drainage line. Note, vegetation associated with the drainage lune and illegally dumped waste within the drainage line.

Photo 12: Taken at point 4, overlooking soccer field and exposed soil susceptible to erosion.

Photo 13: Taken from point 4, south-westerly direction over the proposed site for development.

Photo 14: Taken from point 4, looking south-easterly direction over the proposed site for development.

Photo 15: Taken from point 5, looking in a southerly direction over the proposed site for development. Note, illegally dumped waste.

Photo 16: Taken from point 5, looking in an easterly direction over the proposed site for development.

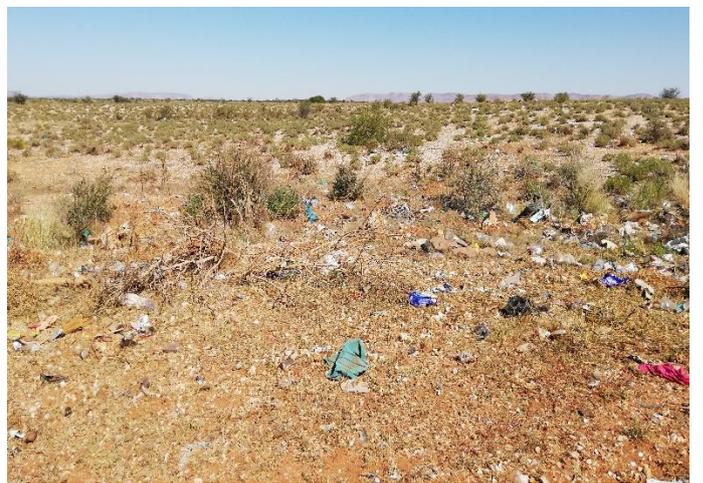

Photo 17: Taken from point 6, looking over the proposed site for development in a north-easterly direction.

Photo 18: Taken at the Topline Primary Healthcare Clinic.
