Hallo Maritz

I completed the induction meeting with ASLA on the 21/10/2020 at the construction site in Loeriesfontein. We discussed and signed the relevant documentation. Please see below points of discussion:

- EMP
- Environmental Checklists
- Demarcation of the construction site
- Signed the Declaration of Understanding
- Discussed areas of responsibility
- When and how the Audits will be conducted

Please find attached the attendance register.

Kind regards
