Blink toekoms wag op speler

Erena Oberholzer

Die toekoms lyk blink vir Curro Kathu se Michaela Lamprecht (13) wat reeds provinsiale hoogtes op die tennisbaan bereik het.

Sedert 2016 het sy nog elke jaar provinsiale kleure in tennis verwerf en het vanjaar weer die Noord-Kaapse tennisspan gehaal.

Michaela sê sy was bevoorreg om vanjaar weer vir die o.14A- provinsiale tennisspan gekies te word, maar ongelukkig het die span nog nie dié jaar die geleentheid gehad om teen ander provinsies mee te ding nie.

“Ek is teleurgesteld dat tennisbyeenkomste uitgestel is. Ek weet dit is beter vir almal se gesondheid, maar ek hoop ook met my hele hart dat ek nog 'n geleentheid sal kry om saam met my spanmaats die Noord-Kaap op die tennisbaan te kan verteenwoordig.”

In 2018 het Michaela die streekstrofee ontvang vir die beste meisiestennisspeler. Sy het ook haar volle erekleure in tennis van 2017 tot 2019 verwerf.

Sy sê Daniel Gericke, haar afrigter, is 'n wonderlike tennisafrigter wat elke kind inspireer om net hul beste op die baan te vaar.

Hoewel tennis Michaela Lamprecht se groot liefde is, geniet sy dit ook om op die hokkieveld uit te draf.

Haar oupa, Albie Louw, is haar grootste ondersteuner en het nog nie een van haar tenniswedstryde gemis nie.

In 2019 is sy as hoofmeisie van die Laerskool Kathu asook voorsitter van die verteenwoordigende raad van leerlinge (VRL) verkies.

Michaela glo dat 'n mens nooit kinders moet onderskat nie en dat alle kinders in staat is tot soveel meer as wat almal besef.

Michaela is die dogter van Jaco en Kerry-Anne Lamprecht.

Golf industry equipped with new app

GolfRSA has stepped in to assist the struggling golf industry with the announcement that it will cover the annual subscription costs of the HealthDocs app for all golf clubs throughout the country.

The app, an easy-to-use employee and customer monitoring solution, is aimed at helping organisations such as golf clubs address Covid-19 compliance regulations while ensuring best practice management of the health of the facility's employees and patrons.

The country's golf governing body has entered into an agreement with HealthDocs which will enable golf clubs to maintain a digital screening, monitoring, tracking and reporting record of all staff and patrons entering the facility.

The golf industry has been under severe pressure since the government-mandated

national lockdown took effect in late March, with all golfing facilities remaining closed until the government deems it safe to reopen.

“The HealthDocs screening and monitoring system further aligns GolfRSA's comprehensive risk mitigation strategy with government's health regulations,” GolfRSA said via a press statement.

In April, GolfRSA allocated R1 million of its annual budget – recovered through operational savings and voluntary staff pay cuts – towards its help fund, which is aimed at assisting the most vulnerable members of the golf industry, the caddies and casual workers.

“By acquiring the app for all of our golf clubs, we are further proving to government that we are serious about meeting their risk mitigation requirements,” says GolfRSA CEO Grant Hepburn. – **Sport24**
