Dear Interested and Affected Party

**PROPOSED 35M HIGH TELECOMMUNICATIONS MAST ON PORTION 62 OF FARM
KLIPHEUVEL NO. 291, LOUTERWATER, EASTERN CAPE**

Notice is hereby given of the intention to submit an application, and the public participation process, in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998), as amended ("NEMA"), Environmental Impact Assessment Regulations 2014. The proposed 35m high telecommunications mast on Portion 62 of Farm Klipheuvél No. 291, Louterwater, includes activities listed in terms of the NEMA EIA Regulations 2014.

EnviroAfrica cc has been appointed by the Insite Towers, to undertake the NEMA Application for Environmental Authorisation process.

Application for environmental authorization to undertake the following activities:

Government Notice R324 (Listing Notice 3): Activity No. 3: The development of masts or towers of any material or type used for telecommunication broadcasting or radio transmission purposes where the mast or tower; (a) is to be placed on a site not previously used for this purpose; and (b) will exceed 15 metres in height.

- a) In the Eastern Cape: Outside Urban Areas: Areas within 10 kilometres from national parks or world heritage site.

**Please note that the listed activities above may change during the course of the NEMA Application process. Registered I&APs will be notified of any changes.*

Project Description & Location:

A telecommunication mast, including associated infrastructure, is proposed on Portion 62 of Farm Klipheuvél No. 291, Louterwater. The base station will have total developmental footprint size of approximately 110m² and will include a 35m high Lattice Mast, service provider equipment containers and generator. The site will be enclosed by fencing for security reasons.

The site is located off a dirt road to the south of Louterwater. Site co-ordinates: 33°47' 38.26"S, 23°37'29.29"E.

Public Participation:

Interested and Affected Parties (I&APs) are hereby notified of the application and invited to register (in writing) and/or provide initial comments and identify any issues, concerns or opportunities relating to this project to the contact details provided below, on or before 15 June 2021. In order to register or submit comment, I&APs should refer to the project name, and provide their name, address & contact details (*indicating your preferred method of notification*) and an indication of any direct business, financial, personal, or other interest which they have in the application. You are also requested to pass this information to any person you feel should be notified.

Please note that only Registered I&APs:

- will be sent future correspondence and be notified of the availability of reports and other written submissions made (or to be made) to the Department by the applicant, and be entitled to comment on these reports and submissions;
- will be notified of the outcome of the application, the reasons for the decision, and that an appeal may be lodged against a decision; and
- will be notified of the applicant's intention to appeal the decision of the competent authority, together with an indication of where and for what period the appeal submission will be available for inspection.
