Dear Interested and Affected Party

NEMA PUBLIC PARTICIPATION PROCESS

**PROPOSED AGRICULTURAL DEVELOPMENT AND DAM EXPANSION ON PORTION 12 OF FARM SCHERPEN
HEUVEL NO 481, WORCESTER, WESTERN CAPE**

Notice is hereby given of the intention to submit a NEMA application and the public participation process, in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998), as amended ("NEMA"), Environmental Impact Assessment Regulations 2014, as well as a Water Use License Application in terms of the National Water Act (Act 36 of 1998)(NWA). The proposed agricultural development and dam expansion includes activities listed in terms of the NEMA EIA Regulations 2014.

EnviroAfrica cc has been appointed by Bass Diii Berries (Pty) Ltd. to undertake the NEMA application process for Environmental Authorisation.

Application for environmental authorization to undertake the following activities in terms of NEMA EIA Regulations 2014:

Government Notice R327 (Listing Notice 1): Activity No. 12, 19, 27, 48 and 66

Application in terms of NWA: Sections 21 (b),(c) and (i).

**Please note that the listed activities above may change during the course of the NEMA Application process. Registered I&APs will be notified of any changes.*

Project Description & Location:

It is proposed that approximately 19ha of additional land be cultivated for the development of blueberries on Portion 12 of Farm Scherpe Heuvel No 481, located approximately 16km south-east of Worcester. Site co-ordinates: 33° 44' 46.50" S, 19° 34' 35.30" E.

It is also proposed that an existing in-stream dam be expanded, with the dam wall increased by over 2.5m in height.

In total, the entire development, including the proposed additional crops, farm dam expansion and any associated infrastructure will be less than 20ha.

Public Participation:

Interested and Affected Parties (I&APs) are hereby notified of the application and invited to register (in writing) and/or provide initial comments and identify any issues, concerns or opportunities relating to this project to the contact details provided below, in terms of the environmental aspects (NEMA Application) and for water related issues (WULA Application), on or before 15 January 2021. In order to register or submit comment, I&APs should refer to the project name, and provide their name, address & contact details (*indicating your preferred method of notification*) and an indication of any direct business, financial, personal, or other interest which they have in the application. You are also requested to pass this information to any person you feel should be notified.

Please note that only Registered I&APs:

- will be sent future correspondence and be notified of the availability of reports and other written submissions made (or to be made) to the Department by the applicant, and be entitled to comment on these reports and submissions;
- will be notified of the outcome of the application, the reasons for the decision, and that an appeal may be lodged against a decision; and
- will be notified of the applicant's intention to appeal the decision, and where and for what period the appeal submission will be available for inspection.
