Good morning Mr. Mader

Thanks for your prompt response. Actually, I'm surprised that a NEMA application is required for a farming project.

1. The application for a prospecting right by DFM Exploration (Pty) Ltd is on a portion of the Remainder of Styrkraal (Portion 0), as outlined in the image to follow this. A portion of Oup Vlakte is also included in the application.
2.
 - 2.a: D.M. le Roux representing DFM Exploration (Pty) Ltd and Gemini Mining and Exploration (Pty) Ltd
 - 2.b,c and d: P.O. Box 121, Pofadder, 8890
 - 2.e: 083-572 1213
 - 2.f: By e-mail please

Kind Regards

D.M. le Roux

Good evening Mr le Roux,

I hope all is well.

With regards to some background on the proposed development, the proposed Styr-Kraal Agricultural Development, and associated infrastructure, is located on Remaining Extent of Portion 0 of Farm Styr-Kraal, Farm No. 81, Pofadder, Khâi-Ma Local Municipality, Namakwa District Municipality (located at the following co-ordinates: 28°40'39.90"S; 19°31'2.93"E). In total, the entire development will be more than 200ha in extent.

Below, please find responses to your email.

1. Please note that we are still in the initial public participation process, whereby the surrounding landowners are in the process of being contacted and notified. Please may you kindly advise on which Portion of Farm Styr-Kraal Farm No. 81 you have a prospecting right for.

Please note that due to the nature of this project, this application will follow a Scoping and Environmental Impact Report (S&EIR) Process. You will be provided with the opportunity to comment on the Draft Scoping Report as well as the Draft EIR, which will be made available to you in due course. As part of the registration process, please may you kindly provide us with the following information:

Sir

1. I object to not being directly consulted as an affected person as representative of DFM Exploration (Pty) Ltd, an applicant for a prospecting right on Styrkraal 81, as well as for Gemini Mining and Exploration (Pty) Ltd, the holder of a prospecting right on the adjacent farm, Oup 80. Mr. Apollis of Schamboua Trust are perfectly well aware of this, and has my contact details. If I didn't by chance see a poster of the proposed development at KLK in Pofadder, I would have remained in the dark. This is the only poster in Pofadder. I do not regularly visit this farmers cooperation.
2. Please register me as an affected person.
3. Please provide details of the proposed agricultural development, including the financial procurement.

Thanks in anticipation!

Kind regards

D.M. le Roux
