Good morning,

Please note that all development applications are processed via our online portal, the South African Heritage Resources Information System (SAHRIS) found at the following link: <http://sahra.org.za/sahris/>. We do not accept emailed, posted, hardcopy, faxed, website links or DropBox links as official submissions.

Please create an application on SAHRIS and upload all documents pertaining to the Environmental Authorisation Application Process. As per section 38(8) of the National Heritage Resources Act, Act 25 of 1999 (NHRA), an assessment of heritage resources must form part of the process and the assessment must comply with section 38(3) of the NHRA.

Once all documents including all appendices are uploaded to the case application, please ensure that the status of the case is changed from DRAFT to SUBMITTED. Please ensure that all documents produced as part of the EA Amendment process are submitted as part of the application.

Subject: Initial Notification for the Proposed Development of the Styr-Kraal Agricultural Development

Dear Interested and Affected Party,

Notice is hereby given of the intention to submit a NEMA application and the public participation process, in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998), as amended ("NEMA"), Environmental Impact Assessment Regulations 2014, as well as a Water Use License Application in terms of the National Water Act (Act 36 of 1998) (NWA). The proposed agricultural development includes activities listed in terms of the NEMA EIA Regulations 2014.

EnviroAfrica cc has been appointed by Schamboua Trust to undertake the NEMA application process for Environmental Authorisation.

Application for environmental authorization to undertake the following activities in terms of NEMA EIA Regulations 2014:

Government Notice R327 (Listing Notice 1): Activity No. 4, 5, 8, 9, 10, 11, 12, 13, 14, 19, 24, 26, 31, 45, and 56

Government Notice R325 (Listing Notice 2): Activity No. 13, 15, and 16

Government Notice R324 (Listing Notice 3): Activity No. 4, 12, 14, 18, 23

Application in terms of NWA: Sections 21 (a), (b), (c), (d) and (i).

*Please note that the listed activities above may change during the course of the NEMA Application process. Registered I&APs will be notified of any changes.

Public Participation:

Interested and Affected Parties (I&APs) are hereby notified of the application and invited to register (in writing) and/or provide initial comments and identify any issues, concerns or opportunities relating to this project to the contact details provided below, in terms of the **environmental aspects (NEMA Application) on or before the 8th February 2021** and for **water related issues (WULA Application) on or before the 12th March 2021**. Please note that the advertisement was published in the Gemsbok on the 11th November 2020. In order to register or submit comment, I&APs should refer to the project name, and provide their name, address & contact details (indicating your preferred method of notification) and an indication of any direct business, financial, personal, or other interest which they have in the application. You are also requested to pass this information to any person you feel should be notified.

Please note that only Registered I&APs:

- will be sent future correspondence and be notified of the availability of reports and other written submissions made (or to be made) to the Department by the applicant, and be entitled to comment on these reports and submissions;
- will be notified of the outcome of the application, the reasons for the decision, and that an appeal may be lodged against a decision; and
- will be notified of the applicant's intention to appeal the decision, and where and for what period the appeal submission will be available for inspection.

Attached, please find initial notification letter with site plan of the proposed Agricultural Development and Project Description.

Please do not hesitate to contact us should you have any questions.

Best Regards,

Anthony Mader
