Hi Anthony

This is the info

- a. Name: Sabina Maria Pasella
- b. Affiliation: Onseepkans resident
- c. Postal Address: PO Box 59
- d. Town/City: Onseepkans
- e. Code: 8892
- f. Preferred method of contact (e.g. email): ria.pasella33@gmail.com

I really need to explain the following to you

Onseepkans do not have any access to social media, internet facilities and media.

You mentioned that you advertise in the local newspaper, what local newspaper?

Die Gembok is printed and situated in Upington and they delivering only in Springbok, Pofadder and local surrounding towns, except Onseepkans.

You might thought that I exaggerating, but you can ask the relevant leadership and ward counsellor.

The second Local newspaper is in Springbok, Namakwander. Even that little newspaper doesnt reach Onseepkans.

If you say the advert was put up around the site, Onseepkans is 29 kms from Styerkraal. How difficult could that be to put it up in Onseepkans?

Like I said, Pofadder residents are not interested in Styerkraal and its development. The only people that are negatively effected are our people from Onseepkans.

Thank you once again for your response

Good evening Ria,

I hope all is well.

Thank you for your feedback and response regarding the aforementioned project.

Please note that we were not involved in the acquisition of the property. We are involved in the undertaking of the Environmental Impact Assessment (EIA) with regards to the proposed development (which includes the public participation process) in accordance with the National Environmental Management Act (NEMA).

Attached, please find the initial notification letter outlining the proposed project. In line with the public participation process, we have published an advertisement in the local newspaper, placed posters around the site, and carried out mail drops. Details of the public participation will be included in the reports which are made available to registered Interested and Affected Parties (I&APs) and the Department of Environment: Nature Conservation (DENC) for comment.

Please be advised that you have been registered as an Interested and Affected Party (I&AP). Please note that due to the nature of this project, this application will likely follow a Scoping and Environmental Impact Report (S&EIR) Process. You will be provided with the opportunity to provide comment on the Draft Scoping Report as well as the Draft Environmental Impact Report (Draft EIR), which will be made available to you in due course. Please let me know if you would like more information on this process.

As part of the registration process, please may you kindly provide us with the following information:

- a. Name:
- b. Affiliation:
- c. Postal Address:
- d. Town/City:

- e. Code:
- f. Preferred method of contact (e.g. email):

Please do not hesitate to contact me should you require any further information.

Best Regards,

Anthony Mader

Subject: Styerkraal Development

I trust you are well.

It is with great disappointment to see an advertisement with regard to abovementioned Farm.

We the residents of Onseepkans were never aware or informed about the selling of the property in the first place. During the selling process no public participation were done in Onseepkans.

We the residents of Onseepkans has been severely disadvantaged as some of our people were born there. They were not given the opportunity to participate in the process of buying the property.

On the other hand, the advert for development has been placed up in Pofadder and not in Onseepkans. People from Pofadder will surely not lay any complaints because they do not have any interest in the property.

The concerned people are those from Onseepkans and not Pofadder.

It is by chance that we saw the advert only today when we went for business in Pofadder.

We would really like to be part of the process and not being left out.

My contact details are as follows

0632528303

Thank you
