

**ROUTE OPTION 3**  
SCALE 1 : 2 500

**GENERAL NOTES**

1. Drawings to be read in conjunction with all relevant Consultant's, and Specialist's drawings and specifications.
2. All details and dimensions subject to confirmation on site.
- Any discrepancies must be brought to the engineer's attention prior to construction.
3. Drawings are not to be scaled.
4. All construction workmanship and materials to be in accordance with the relevant provisions of "The Application of the National Building Regulations" (SANS 10400), Building Standards act (Act103) and the relevant parts of SANS 2001.
5. The signed original copy of this drawing is kept at the engineer's office.
7. No structure or element thereof will not be accepted until all test results and material certificates have been submitted to the Engineer, and accepted.

**SPECIAL NOTES**

1. The route is only indicative.
