

APPENDIX 1E

COMMENTS-RESPONSES TABLE

Comments Responses Table

I&AP	Comment received	Response	Respondent
<p>D.M. le Roux of DFM Exploration (Pty) Ltd and Gemini Mining and Exploration (Pty) Ltd</p>	<p>I object to not being directly consulted as an affected person as representative of DFM Exploration (Pty) Ltd, an applicant for a prospecting right on Styrkraal 81, as well as for Gemini Mining and Exploration (Pty) Ltd, the holder of a prospecting right on the adjacent farm, Oup 80. Mr. Apollis of Schamboua Trust are perfectly well aware of this, and has my contact details. If I didn't by chance see a poster of the proposed development at KLK in Pofadder, I would have remained in the dark. This is the only poster in Pofadder. I do not regularly visit this farmers cooperation.</p> <p>2. Please register me as an affected person.</p> <p>3. Please provide details of the proposed agricultural development, including the financial procurement.</p> <p>(07/01/2021)</p>	<p>1) Good evening Mr le Roux, I hope all is well.</p> <p>With regards to some background on the proposed development, the proposed Styr-Kraal Agricultural Development, and associated infrastructure, is located on Remaining Extent of Portion 0 of Farm Styr-Kraal, Farm No. 81, Pofadder, Khâi-Ma Local Municipality, Namakwa District Municipality (located at the following co-ordinates: 28°40'39.90"S; 19°31'2.93"E). In total, the entire development will be more than 200ha in extent.</p> <p>Below, please find responses to your email.</p> <p>1. Please note that we are still in the initial public participation process, whereby the surrounding landowners are in the process of being contacted and notified. In line with the public participation process, we have published an advertisement in the local newspaper, placed posters around the site, and carried out mail drops. Please may you kindly advise on which Portion of Farm Styr-Kraal Farm No. 81 you have a prospecting right for.</p> <p>2. Please be advised that you have been registered as an Interested and Affected Party (I&AP).</p> <p>Please note that due to the nature of this project, this application will follow a Scoping and Environmental Impact Report (S&EIR) Process. You will be provided with the opportunity to comment on the Draft Scoping Report as well as the Draft EIR, which will be made available to you in due course. As part of the registration process, please may you kindly provide us with the following information:</p>	<p>EnviroAfrica CC</p>

		<p>a. Affiliation: b. Postal Address: c. Town/City: d. Code: e. Telephone Number: f. Preferred method of contact</p> <p>3. Attached, please find the initial notification letter with more information. Please note that financial procurement for the project will be addressed in the Scoping and EIR reports. Please do not hesitate to contact us should you have any questions.</p>	
Jacoline Mans	<p>Dear Anthony, May you please send me the EIA Report / Scoping Report (whatever is available at this stage).</p> <p>Thank you. (14/01/2021)</p>	<p>(1) Dear Jacoline Mans,</p> <p>Please note that the Draft Scoping Report for the above-mentioned development proposal is available for your perusal on the website of EnviroAfrica. In order to access the report, use the internet link, enviroafrica.co.za/projects/for-public-participation/ and click on the heading "Projects" and thereafter click on the sub-heading "Public Participation".</p> <p>Should you decide to comment on the Draft Scoping Report, please provide a copy of your letter of comment to EnviroAfrica via the electronic mail addresses, maboee@enviroafrica.co.za and info@enviroafrica.co.za and also provide a copy of your letter of comment to Mr Aviwe Nyakaza of the Northern Cape Department of Agriculture, Environmental Affairs, Rural Development and Land Reform via the address aviwenyakaza.denc@gmail.com.</p>	
Ria Pasella	<p>(1) We the residents of Onseepkans were never aware or informed about the selling of the property in the first place. During the selling</p>	<p>(1) Good evening Ria, I hope all is well.</p>	<p>EnviroAfrica CC</p>

	<p>process no public participation were done in Onseepkans.</p> <p>We the residents of Onseepkans has been severely disadvantaged as some of our people were born there. They were not given the opportunity to participate in the process of buying the property.</p> <p>On the other hand, the advert for development has been placed up in Pofadder and not in Onseepkans. People from Pofadder will surely not lay any complaints because they do not have any interest in the property.</p> <p>The concerned people are those from Onseepkans a d not Pofadder.</p> <p>It is by chance that we saw the advert only today when we went for business in Pofadder.</p> <p>We would really like to be part of the process and not being left out.</p> <p>My contact details are as follows</p> <p>0632528303</p> <p>Thank you (25/01/2021)</p> <p>(2) Dear Anthony</p> <p>I trust you are well.</p> <p>I really would like to follow up on our complaint on abovementioned subject.</p> <p>You did not came back to me as promised</p>	<p>Thank you for your feedback and response regarding the aforementioned project.</p> <p>Please note that we were not involved in the acquisition of the property. We are involved in the undertaking of the Environmental Impact Assessment (EIA) with regards to the proposed development (which includes the public participation process) in accordance with the National Environmental Management Act (NEMA).</p> <p>Attached, please find the initial notification letter outlining the proposed project. In line with the public participation process, we have published an advertisement in the local newspaper, placed posters around the site, and carried out mail drops. Details of the public participation will be included in the reports which are made available to registered Interested and Affected Parties (I&APs) and the Department of Environment: Nature Conservation (DENC) for comment.</p> <p>Please be advised that you have been registered as an Interested and Affected Party (I&AP). Please note that due to the nature of this project, this application will likely follow a Scoping and Environmental Impact Report (S&EIR) Process. You will be provided with the opportunity to provide comment on the Draft Scoping Report as well as the Draft Environmental Impact Report (Draft EIR), which will be made available to you in due course. Please let me know if</p>
