Sir,

REQUEST FOR CONFIRMATION OF WATER FOR THE NEW WAVE DAM

With regards to the construction of the New Wave Dam (92 000m³) for Cederberg Farming Trust, LORWUA can confirm the following:

1. Cederberg Farming Trust has an allocation of 78.2 hectares as per attached certificate.
2. The quota per hectare of water made available by the Lower Olifants River Water User Association over the last few years is indicated in the attached table below:
3. Provided all the proper legal procedures and licenses is obtained from the various governmental departments, LORWUA has no objection to the construction of the storage dam.

Regards,

N.J. Steenkamp
