Dear E. Gillian,

The e-mail trail below, refers.

I spoke with Luzuko earlier today and he indicated to me that he is on leave until next week and so for the sake of time, I am writing directly to you.

Please find attached hereto, a copy of a credit statement from Standard Bank that indicates that a funds transfer of R2100 was made. The other transactions that are unrelated to the payment made on the SAMRAD website have been blotted out from the credit card statement in order to protect the privacy of the account holder. In addition, a screenshot from the SAMRAD website that also confirms that payment of R2100 was successfully made is attached hereto for your convenience.

I trust that the two documents that are attached hereto as a single pdf file constitute satisfactory evidence that the required R2100 application fee was indeed paid for the mining permit application relating to the SAMRAD Forms 22581.1 and that an application reference number can be issued.

Kind regards,

**Maboe Nthejane**

Dear L. Nxantsiya,

Please find attached hereto, a copy of a credit statement from Standard Bank that indicates that a funds transfer of R2100 took place as I explained in my previous correspondence to you. I trust that the two documents that are attached hereto as a single pdf file constitute satisfactory evidence to the Finance Section of your Department that the required R2100 application fee was indeed made for the mining permit application relating to the SAMRAD Forms 225811.
