Certificate to Commence Business Explanation:

The Applicant is the Witvlei Boerdery Trust (IT452/1994). Please refer to full Deed of Trust uploaded in online/SAMRAD application.

Mr C A Bruwer, is the appointed representative of the Witvlei Boerdery Trust (IT452/1994) in this mining permit application.

Mr C A Bruwer is also the owner of C A Bruwer Konstuksie CC (please refer to Company Registration Certificate uploaded in online/SAMRAD application), an established construction, earth moving, transportation and associated activities business in the Kakamas region since 2012.

The proposed development entails the establishment of a quarry and crusher plant on Plot 2372, Alheidt near Kakamas South.

The granite will be extracted from the quarry by blasting and any granite boulders that are too big will be broken into smaller sizes with a hydraulic hammer and the granite will be scooped up by front-end loaders and put into a hopper. A conveyor belt will then feed the granite into a crusher. The rock that has been crushed into gravel will then be conveyed into a screen to be sorted according to size. The various grades and sizes of gravel will be stockpiled on the proposed site. The gravel will then be loaded on tipper trucks and transported to wherever it is required in the building and construction industry.

An access road will be constructed that leads in and out of the proposed site.

All the above activities will be undertaken by C A Bruwer Konstuksie CC

Please refer to the Certificate issued by the Registrar of Companies and Close Corporations (COR 21.1) for C A Bruwer Konstuksie CC.
