<p>RC Beukes of the Kamiesberg Local Municipality (18/07/2023)</p>	<p>The attached advert refers:</p> <ol style="list-style-type: none"> 1. During discussions held with the owner of the farm, Pastor Weideman, it was indicated that he was planning to move his church and a few people from his flock to the farm 2. There is currently two (2) wood fabricated houses with permanent residence. 3. There is a further three foundations that I inspected 4. The current application is therefore not in line with the original idea of the owner of the farm 5. The municipality therefore object to the application in its current activities 	<p>Noted</p>	<p>EnviroAfrica</p>
