922 KB

Dear Interested and Affected Party,

Please find attached the notification letter regarding our intention to submit an application for the construction of the Diemersfontein Telecommunication Mast on Portion 0 of Farm No. 1756, Paarl Road, Drakenstein Municipality, Western Cape.

We wish to inform you that the commenting period for this initial public participation process will conclude on **Tuesday, 08 October 2024.**

We kindly request that you forward this information to any individuals or parties who may also need to be notified or who might have an interest in this matter.

Should you have any questions or require further information, please do not hesitate to contact me.

Thank you for your attention to this matter.

Kind regards,

Zandria Jordaan

Dear Interested and affected Party

I trust this email finds you well. Kindly find attached Notification letter. Please take note of the follow paragraph.

Public Participation:

Interested and Affected Parties ("I&APs") are hereby notified of the intention to submit an application for environmental authorisation for the above-mentioned development proposal and are invited to register (in writing) as a stakeholder. In order to register or submit comment, I&APs should refer to the name of the proposed development, and provide their name, address and contact details (indicating your preferred method of receiving notification) and an indication of any direct business, financial, personal, or other interest which they have regarding the application, as per the statutory requirements of the Environmental Impact Assessment (EIA) Regulations (2014, as amended) published in terms of the National Environmental Management Act (Act 107 of 1998) (NEMA). You are also requested to pass this information on to any person that you think should be interested/notified. Comments regarding the proposed development, should be submitted to EnviroAfrica cc on or before **08 October 2024**.

Please note that only **Registered I&APs** will be notified of the availability of reports for public viewing and comment, the outcome of the application, the reasons for the decision and that an appeal may be lodged against the decision.

Information contact EnviroAfrica cc at:
