CHARLIE Hofmeyr se senior toneelgroep het Donderdag 1 Augustus aan die jaarlikse Logan Toneelfees op Fraserburg deelgeneem met 'n nuwe produksie getiteld: Bloednyl. Die groep sal weer tydens die jaarlikse Charlie Toneelfees in Oktobermaand, op die verhoog wees.

Wolseley spog met nuwe ouetehuis

WOLSELEY spog die afgelope 18 maande met 'n nuwe ouetehuis - Huis Weich.

Bluebird Synergy het saam met die Louw/Nel/Hoffman familie ingespring en besluit om die ou skoolkoshuis te omskep tot voordeel van bejaardes.

Die koshuis het lank leeggestaan voordat oudleerders van Wolseley Laerskool, Deborah Nel en haar seuns, saam met vennote besluit het om dit in 'n huis vir bejaardes te omskep. Deborah was ook 'n oudinwoner van dié skoolkoshuis.

Beide se hoofdoel was om iets in die gemeenskap terug te ploeg en sodoende bejaarde mense te help.

Die gebou en terrein is verbeter en aan die begin van 2023 het die eerste inwoners hul nuwe tuiste - Huis Weich - betrek.

Die eerste twee jaar is die fokus grootliks op inwoners gerig wat nog selfversorgend is of met minimale hulp, versorgend kan wees. Later wil hulle 'n volwaardige siekeboeg open en ook inwoners met erge dementia en alzheimers ontvang.

Navrae

Besoek gerus Huis Weich se Facebookblad of skakel **066-050-2464** of Deborah by **084-359-4842** of sr. Debbie Hoffman 066-050-2464 indien iemand 'n bydrae wil lewer. Hulle e-pos adres is **admin@huisweich.co.za**

Speurwerk lei tot inbreker se arrestasie in Nduli

GOEIE speurwerk deur Ceres speurders, het onlangs daartoe gelei dat 'n inbreker gearresteer en gesteelde eiendom teruggevind is.

Ceres speurders het inligting opgevolg na 'n huisbraak en diefstalsaak aangemeld is. Gesteelde goedere is later in Nduli gekry en Sizwe Gqalaqha is gearresteer. Hy het reeds in die Ceres landdroshof verskyn op klagtes van gewapende roof, aanranding, besit van gesteelde eiendom en huisbraak.

Die saak is tot **Donderdag 8 Augustus** uitgestel vir 'n borgaansoek.

OOM Tom Prins (86).

Ceres groet 'n groot gees

OOM Tom Prins (86), bekende en geliefde inwoner en boer van Ceres, is op 18 Julie oorlede.

Oom Tom is op Ceres gebore en het op die plaas Loxtonia groot geword. Hy het tot en met sy aftrede op Langhoogte geboer.

Oom Tom het op die plaas Kweperfontein skoolgegaan tot standerd 5 waar hy ook sommer die bestuurder van die perdekar was wat as skoolbus ingespan is. Hy was in standerd 6 by Laerskool Gerike maar het die skool vroeg verlaat om op 14-jarige ouderdom te gaan boer toe sy pa vir 'n lang tyd weens 'n heup-operasie nie kon boer nie.

Oom Tom was baie lief vir sport en het al op 15 jarige ouderdom vir Ceres se dorpsrugbyspanne begin speel. Onder dwang van sy vrou, Ina Prins, het hy op 40-jarige ouderdom noodgedwonge sy rugbystewels opgehang.

Oom Tom was 'n gemaklike mens wat met almal oor die weggekom het.

Hy het 'n groot invloed op baie mense se lewens gehad. Hy was lief vir die lewe en het dit voluit geleef. Daar is oor die jare menige stories en staaltjies oor hom vertel.

Sy gesin, familie en vriendskappe was vir hom baie belangrik en het hy dit gekoester.

Hy was 'n geliefde inwoner, 'n nederige, lojale en hardwerkende man wat ander sou help indien dit binne sy vermoë was.

Ons is dankbaar vir die gemeenskap wat betrokke was in sy lewe en vir Huis Maudie Kriel waar hy sy laaste jare deurgebring het. Hy was tot en met sy dood 'n inwoner van Huis Maudie Kriel op Ceres.

Roudiens

Ceres gemeenskap het op **Vrydag 26 Julie** 'n man wat diep spore in mense se lewens en Ceres se gemeenskap getrap het, tydens 'n roudiens gegroet. Die diens het vanuit die Ceres Moedergemeente plaasgevind.

Hy sal gemis word deur sy kinders Johan (Tommie), Riana en Truter, sy kleinkinders en vriende. "Ons gun hom die rus".

HARMONY TRUST **ENVIROAFRICA CC**

THE PROPOSED DEVELOPMENT OF THE TOEKA INSTREAM DAM, PIPELINE AND ASSOCIATED AGRICULTURAL AREA ON THE REMAINDER OF FARM HOUDENBEK NO. 415 (MORESTER LANDGOED), CERES, WESTERN CAPE

Notice is hereby given of the intention to submit a NEMA Application, and the public participation process in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998), as amended (NEMA), Environmental Impact Assessment (EIA) Regulations, 2014 (as amended); for the application for Environmental Authorisation (EA) to undertake the following:

Application for EA to undertake the following activities in terms of NEMA EIA Regulations 2014:
GN R983, 2014 (as amended) - Listing Notice 1: Activity No. 12, 19, 27
GN R984, 2014 (as amended) - Listing Notice 2: Activity No. 2, 16
GN R985, 2014 (as amended) - Listing Notice 3: Activity No. 12, 14
**Please note that the listed activities above may change during the course of the application. Registered I&APs will be notified of any changes.*

EnviroAfrica cc has been appointed by Harmony Trust, to undertake the Environmental Impact Assessment for the proposed development. A notice of intent to develop will be submitted to the Department of Environmental Affairs & Development Planning (DEA&DP).

Project Description & Location: The proposed development includes the construction of the Toeka Dam with a storage capacity of 2 000 000m³ and a dam wall height of approximately 14m. It will mainly be supplied with water, being pumped via the proposed ±1 200m pipeline, from the existing Houdenbek-Bo Dam situated in the Houdenbek River, and additionally with water from runoff emanating within the catchment area. The proposed dam will be constructed to store and supply water for irrigation purposes associated with the proposed approximately 80ha agricultural expansion area. The proposed dam footprint/flooded area will cover approximately 40ha of agricultural land on the lower slopes of the Houdenbek Mountains. Approximate site centre point co-ordinates S32°59'35.40"; E19°26'21.20".

Public Participation: Interested and Affected Parties (I&APs) are hereby notified of the application and invited to register (in writing) and/or provide initial comments and identify any issues, concerns or opportunities relating to this project to the contact details provided below, on or before **13 September 2024**. In order to register or submit a comment, I&APs should refer to the project name, and provide their name, address & contact details (indicating your preferred method of notification) and an indication of any direct business, financial, personal, or other interest which they have in the application. You are also requested to pass this information to any person you feel should be notified.

Please note: that only Registered I&APs will be notified of the availability of reports and other written submissions made (or to be made) to the Department by the applicant, and be entitled to comment on these reports and submissions; will be notified of the outcome of the application, the reasons for the decision, and that an appeal may be lodged against a decision; and will be notified of the applicant's intention to appeal the decision, and where and for what period the appeal submission will be available for inspection.

EnviroAfrica cc has been appointed by Harmony Trust, to undertake the Environmental Impact Assessment for the proposed development. A notice of intent to develop will be submitted to the Department of Environmental Affairs & Development Planning (DEA&DP).

Project Description & Location: The proposed development includes the construction of the Harmony Dam with a storage capacity of 250 000m³ and a dam wall height of approximately 13m. It will be mainly supplied with water from runoff emanating within the catchment area. The proposed dam will be constructed to store and supply water for irrigation purposes associated with the proposed approximately 30ha agricultural expansion area. Water will be conveyed via a proposed pipeline from the proposed dam to an existing pipeline. Irrigation pipelines thresholds will not trigger Listed Activities in terms of NEMA and will be located on ploughed land and road reserves. The proposed dam footprint/flooded area will cover approximately 6ha of land on the lower slopes of the Houdenbek Mountains. Approximate site centre point co-ordinates S32°59'47.00"; 19°27'50.00"E.

Public Participation: Interested and Affected Parties (I&APs) are hereby notified of the application and invited to register (in writing) and/or provide initial comments and identify any issues, concerns or opportunities relating to this project to the contact details provided below, on or before **13 September 2024**.
