Dear Interested and Affected Party,

Please be informed that on behalf of the Western Cape Department of Infrastructure, EnviroAfrica intends to lodge an application for environmental authorisation for the above-mentioned proposed development. The letter attached hereto provides further information on the proposed development.

Interested and Affected Parties are hereby invited to provide comment on the proposed development so that issues can be resolved as early as possible. In this way, when the application for environmental authorisation is ultimately lodged, the application process is likely to experience fewer substantial hurdles.

Should you decide to comment on the proposed development, please provide a copy of your letter of comment to EnviroAfrica via the electronic mail address admin@enviroafrica.co.za

Please forward this notification to any other persons that you think may wish to comment on the proposed development.

Kind regards,

Maboee Nthejane
