NEMA PUBLIC PARTICIPATION PROCESS

THE PROPOSED CONSTRUCTION OF THE NEW JADE HILLS DAM ON PORTION 26 OF THE FARM STINKFONTEIN NO. 383, CERES

Notice is hereby given of the application for environmental authorisation, as well as the availability of the Pre-Application Scoping Report for public participation. The public participation process is being conducted in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998) ("NEMA"), Environmental Impact Assessment ("EIA") Regulations of 2014 (as amended). The proposed Jade Hills dam includes activities listed in terms of the NEMA EIA Regulations 2014.

EnviroAfrica cc has been appointed by Jade Farming (Pty) Ltd. to undertake the NEMA application process for Environmental Authorisation.

Application for environmental authorisation to undertake the following activities* in terms of NEMA EIA Regulations 2014:

Government Notice R327 (Listing Notice 1): Activity No. **12, 19 and 27**
Government Notice R325 (Listing Notice 2): Activity No. **16**
Government Notice R324 (Listing Notice 3): Activity No. **12, 14**

**Please note that the listed activities above may change during the course of the NEMA Application process. Registered I&APs will be notified of any changes.*

Project Description & Location: The proposed development entails the construction of a new dam for the storing of winter water for summer irrigation on Portion 26 of Farm Stinkfontein No. 383, Ceres, known as Jade Hills. The site is located approximately 5km east of Ceres, off the Ezelfontein Road. The dam will be located on existing agricultural land.

Site co-ordinates: **33° 22' 31.67"S, 19° 22' 13.15"E**

The proposed dam will have a final total capacity of ±110 000m3, a maximum wall height of ±12.5m, and a total surface area of ±2.3ha. A pipeline of approximately 700m with a diameter of 150mm is proposed from the Jade Hills Delivery Point. Water to flow via gravity to the dam.

Public Participation: Interested and Affected Parties ("I&APs") are hereby notified that the Pre-Application Scoping Report is available for viewing and comment on the website of EnviroAfrica, i.e., https://enviroafrica.co.za/public-projects/.

I&APs must register and provide comment to EnviroAfrica on the project via written correspondence addressed to bianca@enviroafrica.co.za or Postnet Suite 341, Private Bag X29, Somerset West, 7129. Tel. (021) 851-1616. The closing date for comment is **9 September 2026**

Please note that only Registered I&APs will be notified of the availability of reports and other written submissions made (or to be made) to the Department by the applicant, and be entitled to comment on these reports and submissions; will be notified of the outcome of the application, the reasons for the decision, and that an appeal may be lodged against a decision; and will be notified of the applicant's intention to appeal the decision, and where and for what period the appeal submission will be available for inspection.

By registering as an I&AP, you hereby give EnviroAfrica cc the permission to circulate your name and contact details to the relevant stakeholders as stated, per statutory requirements, in line with the Protection of Personal Information (POPI) Act No. 4 of 2013 (as amended), unless otherwise informed, in writing to us.

Note: A full list of registered I&APs, as well as all correspondence with I&APs, will be submitted to the competent authority.
